

An invitation

Spurgeon's College

Enhancing our educational facilities, strengthening our place in the community and creating new houses for Croydon.

Invitation to attend a public exhibition of our revised proposals on **22nd November 2023**.

Overview

To our neighbours and friends living around Spurgeon's College, and the wider stakeholder community. Following our two public exhibitions that took place on the 11th and 15th July 2023, we have taken some time to consider and incorporate your and other stakeholders feedback into our revised proposals in collaboration with our development partner, London Square.

Your views and those of other stakeholders have shaped our revised proposals, resulting in significant improvements to the scheme. The main change is a reduction in the number of homes being proposed. Additionally, all homes are now proposed as houses with gardens and no flats are proposed.

We are pleased to extend an invitation to you to view the improved proposals at our upcoming public exhibition, which will take place on 22nd November 2023. Further details will also be updated and accessible online via our specialised consultation website:

How to view and comment on our plans

We have continued developing our plans for Spurgeon's College. Our updated plans demonstrate the careful consideration we have given to a number of the suggestions and issues raised by attendees at our various consultation events. The upcoming consultation event, detailed below, will provide a more thorough display of the amended proposals with the project team also available to answer questions:
